Stop #4 - Marie Aloir

Based in Saint-Étienne-de-Bolton for more than 30 years, Marie Aloir creates paintings inspired by the natural world around her. Trained in printmaking and visual arts, she has devoted herself to painting since 1983. Her artistic journey has evolved from expressionism and mandalas to landscapes, the shores of the St. Lawrence River and floral works painted directly from nature. Step into her studio and discover a vibrant collection where colour, light and nature come together in a celebration of the landscape.
