Stop #6 - Sharlotte Novoa Guandique

A ceramic artist and painter originally from Nicaragua, Sharlotte Novoa Guandique creates hand-shaped and hand-painted porcelain works. Inspired by her cultural heritage and her life in Quebec, she explores colour, form and texture through the creation of her own coloured slips. For more than 20 years, she has collaborated closely with Lydia Fortin, combining their expertise to create unique works of art. Visit their studio and discover a world where material, colour and a passion for art come together.
