Mount Singer Trails - Étang Loop

"Étang" (Pond) is one of the loops on the Mount Singer Trails. It takes hikers through a forest of tremendous ecological value, providing a great opportunity to relax and re-energize. Nothing beats the view of Fullerton Pond!

The larger Green Mountains Nature Reserve, managed by Appalachian Corridor, covers the natural habitat of hundreds of plant and animal species, including at least 90 that are threatened or vulnerable. In addition, more than 80 bird species nest in the area every spring.
