Rivière-aux-Cerises Marsh

The marsh has almost 6 km of boardwalks and gravel trails providing direct access to nature right in the heart of Magog. Popular with local walkers and runners, it's the perfect place to observe a range of plant, bird and animal life. Don't miss the captivating exhibits at the Interpretation Centre. Visitors can also enjoy a relaxing river excursion in a kayak or canoe, or on a paddleboard. Treat yourself to an unforgettable wetland experience!
