Itinerary

Culinary

Coop du Grand-Bois

In addition to operating a bistro, a small grocery store, a meals-on-wheels service and a library, this cooperative organizes workshops alongside social and cultural activities.

Above all, it provides a space for strengthening the sense community in Saint-Étienne-de-Bolton!

Culinary

Érablière du lac Libby

The aroma of wood and syrup welcomes you like a childhood memory. The boutique is open year-round and visits/tastings are by appointment. Sugaring off season is in high gear from mid-February to the end of April. Here, you will find out how we have learned, transmitted, adapted... and why the taste of maple continues to deliver, every time, a small miracle. Calling ahead before visiting is recommended.
